## NHQ Announces new Professional Development report on e-Services

CAP e-Services News announced a new report from the member database.

*A new report, named "Unit Training Report" is now online. This is the same information you get from printing an individual report in Member Search, but at a Region/Wing/Unit level. You can get just 90 Day expired Members by choosing "View Inactive Members Within Past 90 Days ONLY (Optional)" or include 90 Day Expired Members by choosing "INCLUDE Inactive Members Within Past 90 Days (Optional)". This report has all PD, Levels, Awards, and Specialty Tracks included.*

Special permissions are required to review this report.
